SECTION B. (50 MARKS)

51. **Read the passage below and answer the questions that follow in full sentences.**

Newspapers are important sources of information. In Uganda, we have many newspapers that people read. People read these newspapers for news and entertainment.

We have very many newspapers in our country. Some are owned by the government and others by individuals. Such newspapers include: The Monitor, The New vision, The Observer.

Publishing newspaper is not easy as most people think. A complete newspaper undergoes **various** stages.

To start with, the news has to be collected. This news is collected from villages, towns and other countries. This is done by journalists. They move from place to place to find correct and reliable information.

Secondly, the written news has to be corrected incase there are mistakes. Changes are sometimes made and some information is also added. The news has to be arranged according to their levels. This is done by an editor.
