I think the virus has not yet destroyed it but after sending, don't delete the work. I am sure there is still some service fee for the internet.

Pride we feel in sending messages
Happiness we get from receiving messages
So many methods we use
both simple and hard
All to have messages exchanged.

For burglars, we make alarms
So as to save our property from thieves
To call for a meeting, we use drums
To distant friends we use telephones
The hunters blow horns
All to have their messages delivered
