Mrs. Batte: Good morning, little boy.

Muhindo: Good morning, Madam.

Mrs. Batte: Can you help me, please?

Muhindo: Yes please, Madam. What is the matter?

Mrs. Batte: My car has broken down.

Is there a garage or mechanic anywhere in this village?

Muhindo: Yes, please, Madam. The nearest mechanic is in the next trading centre.

His garage is about a kilometer away from here.

Mrs. Batte: Is he really a good mechanic?

Muhindo: Indeed he is a skilled mechanic and has all the tools and spare parts in his garage. He has spanners, screwdrivers, pliers, a car jack and a tester.

What could be the problem with your car?

Mrs. Batte: I think the problem is in the engine. The wiring system could be faulty or loose.

Muhindo: How often do you take your car for service?
